## EXPERIENCE

### Software Engineer Intern @ Student Information System

FEB 2020 - MAR 2020 // San Francisco, CA

- Built unifying formset by coalescing models from different course offerings (lectures, exercises, etc.) so staff can easily edit materials
- Refactored codebase to cache homepage and reduce expensive queries with cache invalidation on update of course offering models.
- Wrote unit and integration tests for caching.
- Implemented Slack Webhooks to improve student engagement with notifications on Slack about important uploads and attachments for the semester in real-time.

### Tutor, Substitute Instructor @ LASC Language Scholastics

Sep 2019 - Oct 2020 // Rowland Heights, CA

- Planned and taught courses in ESL, TOEFL, and SAT I for private sessions of 1-4 students and larger 10 to 18 student sized classes..
- Arranged for both single and grouped classes depending on student needs, monitoring student progress and adapting material based on feedback from reports and recommendations..

### SAT Instructor @ The One Tutoring Center

July 2016 - Dec 2018 // La Puente, CA

- Instructed private /group classes of 1 - 3 students for SAT I.

### Pharmacy Technician @ Hacienda Heights Pharmacy

Oct 2016 - Oct 2017 // Hacienda Heights, CA

- Verified validity of prescriptions for filing in accordance with compliance policies.
- Contact doctors and insurance companies daily to troubleshoot issues with prescriptions and insurance claims.
